This is a "Travel like the locals" tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Round trip to Midsund for Midsundtrappene (Midsund stairs)

Molde – Midsund - Molde

This round trip takes you to Midsund, situated at the island Otrøya in the Romsdalsfjord with only a few small islets separating it from the Atlantic sea.

We offer this round trip by bus and ferry to make it possible for you to hike the Midsundtrappene (Midsund stair), where Sherpas from Nepal have built fantastic stone steps to make the hike to the Digergubben mountain more accessible for the public.

Seeing the stone work is worth the trip alone. Adding a fantastic view to mountains, fjord and the ocean definitely make this hike worthwhile.

The terrain is steep, but with the stairs it is possible for more people to do this hike. Make sure to wear adequate clothing and shoes! Norway can be chilly even in the summer.

The trip is open for booking all year, but in the winter season it may not always be advisable to do the hike. Check the conditions before you go!

Before doing the hike we recommend that you prepare by reading more about the hike, for example on visitnorway.com. (Search for Midsundtrappene.)
