This is a "Travel like the locals" tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Coastal Experience

Ålesund – Hamnsund – Lepsøy – Haramsøy – Fjørtofta - Harøy – Ålesund

This roundtrip by express boat from Ålesund to Harøya via Lepsøy and Haramsøy offers a stunning view of hundreds of small islets, reefs and island in the Sunnmøre archipelago.

If you are lucky, you might see eagles, killer whales or seals during the roundtrip.

You can either do just the boat trip or you can choose to stay on at Harøya for a few hours and return to Ålesund on the later departure (see timetable below).

The island of Harøya offer a variety of experiences. The mountain Harøyburet gives you a fantastic view over the many islands, islets and reefs.

From Harøya you may choose to go on to the island of Finnøy by bus. (Not included in the round trip price.) The bus will be at the harbor at Harøya and you can purchase a ticket from the driver, paying with cash or a credit card (Visa, MasterCard).
