

Last updated: 20.12.2018

This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Round trip Kristiansund - the Atlantic Road

Kristiansund – the Atlantic Road - Kristiansund

This trip takes you from Kristiansund to what is often described as the world’s most beautiful road!

With its location at the edge of the mighty ocean, the Atlantic Road is as beautiful in sunshine and calm weather as in full storm and rain.

The Atlantic Road connects Averøy with the mainland via a series of small islands and islets spanned by a total of eight bridges over 8274 meters. The road is a national tourist route.

On this round trip, the bus stops at Eldhusøya, where you can take a walk on the suspended walkway around the islet. The walkway consists of latticework (“grids”) “floating” above the terrain, and is suitable for or anyone.

The service building at Eldhusøya, with its distinct architecture that falls into the terrain, has a café and toilets. (Open Saturdays and Sundays in the spring and every day 1st June – 31st August.)

The area also offers a magnificent landscape, a rich bird life and great fishing opportunities.

There is a FREE Hopperguide available for this trip

Hopperguide uses the GPS technology in your phone to give location-based information for your trip. Information presented through sound, pictures, text and links.

Download the hopperguide app from App Store or Google Play. Open the app and select and download the guide for this trip, Kristiansund – Atlantic Road round trip (FRAM Atlantic Road).

Hopperguide is a third party product. Any inquiries regarding Hopperguide must be directed to Hopperguide (post@hopperguide.no).
