*This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)*

## Round trip to Molde & the Atlantic Road

### Ålesund – Molde - the Atlantic Road - Ålesund

This trip takes you from Ålesund via Molde to what is often described as the world’s most beautiful road!

With its location at the edge of the mighty ocean, the Atlantic Road is as beautiful in sunshine and calm weather as in full storm and rain.

The Atlantic Road connects Averøy with the mainland via a series of small islands and islets spanned by a total of eight bridges over 8274 meters. The road is a national tourist route.

On this round trip, the bus stops at Eldhusøya, where you can take a walk on the suspended walkway around the islet. The walkway consists of latticework (“grids”) “floating” above the terrain, and is suitable for or anyone.

The service building at Eldhusøya, with its distinct architecture that falls into the terrain, has a café and toilets.

The area also offers a magnificent landscape, a rich bird life and great fishing opportunities.

On your way back to Ålesund you have some time in Molde to walk around this charming town between the fjord and the hills. Molde offers a magnificent view towards the fjord and the mountains on the other side, and has a multitude of shops, cafés, etc.

Note that you can choose between two departure times from Molde (see timetable below).

Departure from: Ålesund bus terminal (Rutebilstasjonen), track 4
